ACTIVITIES CLOSURE DUE TO ASSIST IN PREVENTING THE SPREAD OF THE CORONAVIRUS

As we are now all aware the Coronavirus is having a devastating affect throughout the world and will be very overwhelming on our health system.

As individuals we must all take responsibility for our actions with regard to the spreading of this virus.

The Board and I met with representatives from the City of Busselton and a decision was made to close the activities down from Monday 23rd March until further notice.

Meals on wheels and takaways meals will still be available but there will be no in-house dining.

Please take care, we must all work together to contain this virus and do whatever is necessary to protect ourselves and others
